

CMSM Monthly Meeting Minutes

October 11th, 2012

The club secretary regrets to report that he was unavoidably sick with the flu and did not attend the meeting. He would have liked to attend, but just wasn't up to it. And besides, the other club members sort of preferred he not attend, given the flu and all.

It was later reported to the club secretary that sponsorships for TigerCon 2012 were starting to come in. In addition there were already vendors starting to sign up. Printing for signs, posters, and awards was in the works.
