

CMSM Monthly Meeting Minutes

~~February 14th, 2013~~

February 21st, 2013

The original meeting for February was scheduled for the 14th of February. This however was on the Valentine's Holiday, so the meeting was postponed to the 21st of February.

Just prior to the 21st of February however, there was a severe weather storm. The officers of the club decided to cancel the meeting for the safety of members. Notices were sent out via email to all club members, and the Club's FaceBook and web site were updated for the weather cancellation. One club member who does not have an internet connection was called by phone.

The next regularly scheduled CMSM club meeting will be on March 14th, 2013.
