

CMSM Monthly Meeting Minutes

November 14th, 2013

The meeting started at 6:37pm.

Attendance: The attendance sheet was not passed but about 14 members attended.

Treasurer's Report: An official Treasurer's Report was not given at this meeting.

TigerCon Report : The committee announced that the event was attended by 92 people. The number of contestants this year was 44 and there were 158 models entered in 41 different categories. This was TigerCon's first year at the Hickman High School Event Center. Throughout the day, 16 youth built snap-kit models at the Make-N-Take tables.

Three vendors attended this year's event and had a very decent quantity and selection of models at good prices. The raffle table had a respectable number of kits and items, but it was commented that it would have been nice to have had more. The Jet airplane categories were unexpectedly large, but it was agreed that this was an unanticipated occurrence (there were no indications ahead of time that these categories would be so large). It was noted that the use of square or rectangular tables for the Aircraft categories is preferred for future events; use of round tables for the other categories (particularly Automotive) worked out just fine. The event location was very appreciated by all who commented on the location. The club's conclusion was that this year's TigerCon was another great success.

After-TigerCon Club Pot Luck Dinner : Everybody got right down to eating food, discussing their experiences at TigerCon, and generally having a fun time. The potluck dinner at the first club meeting after TigerCon has become a tradition for the CMSM club members.

Dinner Discussion : Next month will be the time for electing new club officers. During the meal various discussion occurred regarding who to nominate for the different club officer positions. Some members nominated themselves for certain positions. The CMSM officers must all be IPMS members. The club offices to be filled are: President, Treasurer, Secretary, Club Clinic Coordinator, and TigerCon Committee Chairman.

Adjournment: Chairs and tables were put away, the small amount of left-over food was cleaned up, and the meeting adjourned at 8:17pm.
