

CMSM Monthly Meeting Minutes

Jan 09, 2014

The meeting started at 6:37pm.

Attendance: The attendance sheet was passed out and 14 members were present this month. There were 0 attendees who were new to the club.

Treasurer's Report: The treasurer reported the club account contains \$998.04. In addition, all members are reminded that the time for yearly club dues is upon us. Club dues are \$15.

Proposal - Model in Two Months Club Contest : Plague design was discussed and voted on, Rat Fink design won. Members discussed their choice for the model to build in two months.

Discussion: TigerCon discussion with a report on progress for the Hickman venue. Letters thanking our vendors were sent. Discussion of vendor feedback at the Tigercon and the Hickman venue were all positive.

Scott spoke of setting up a yearly calendar which would include shows, trips and activities. Round table discussion regarding airbrushes and the merits of single or dual action, turn buckles for the Wing Nut kits and where they might be acquired – Grandtline Products. Discussion of spray booths and how to build one at home.

Ideas for Future Club Clinics : It was reported that the Club Clinic for January will be on “Decals”. There will be no Club Clinic in February as that will be the “judging” for the “Model in 2 Months” club contest. The March meeting Club Clinic will be on “Bare Metal Foil”.

Club Clinic : Brian hosted a demo on lighting your models using LED and Fiber Optics. He showed techniques including soldering, circuit boards, resistors and heat shrink tubing. Lighting kits and supplies can be purchased from various vendors including Squadron, Free Time Hobbies, Radio Shack and Hobby Lobby,

Adjournment: Chairs and tables were put away and the meeting adjourned at 8:??pm.
