

## CMSM Meeting Minutes 2/19/15

**Meeting Started promptly at 6:35 pm**

**Attendance:** We had 14 members in attendance. No new individuals in attendance.

### **3-D Printing Demonstration: Craig Adams with CPS**

Craig gave us a demo about 3-D Printing. Pretty interesting stuff. Lots of possibilities for us in the modeling world!

### **Financial Report:**

- Current balance is \$2,148.00. No outstanding checks/ debts.

### **Other Discussions:**

- KC Con on 14 March 2015
- Diorama Project for Tuskegee Airmen Reception. More will be discussed later.
- Next Model in a Quarter project: Trucks! Bring your truck to the next meeting.

### **Current Model in a Quarter Discussion: Corvette projects**

Members who are participating in this build talked about their progress. This project is due at the next meeting on March 19, 2015.

### **PROGRAM: Polishing by Scott Adams**

Scott gave us a great demo on polishing the body of car models.

After the program, the chairs and the tables were put away.

Meeting adjourned at 8:40 PM!
