

CMSM Meeting Minutes
3/19/15

Meeting Started promptly at 6:35 pm

Attendance: We had 11 members in attendance. No new individuals in attendance.

Financial Report:

- Current balance is \$2,167.46. No outstanding checks/ debts.

Other Discussions:

- Club diorama Project for the Tuskegee Airmen Reception. Need 1/48 scale vehicles for the display. More to come about this project later.

Current Model in a Quarter Discussion: Corvette projects....The big reveal!!!

Members who completed the challenge displayed their finished products. And the winner is....

Tim O'Connor with his 1953 Corvette!

Next challenge is.....Trucks! We had a "round the horn" discussion from those who brought in their entries for the Truck challenge.

PROGRAM: Airbrushing: by Jack Andrewson

Jack Andrewson showed his expertise at airbrushing. Discussed the different makes and models of airbrushes that are available. Discussed was how to safely operate an airbrush and details on how to clean up your airbrush and how to thin out your paints.

The program for the next meeting will be on the use of putty in scale modeling. All were encouraged to bring in their favorite type of putty and how they use it.

After the program, the chairs and the tables were put away.

Meeting adjourned at 8:20 PM!
