

## CMSM Meeting Minutes 4/16/15

**Meeting Started promptly at 6:35 pm**

**ATTENDANCE:** We had 13 members in attendance. No new individuals in attendance.

**FINANCIAL REPORT:**

- Current balance is \$2,175.46. No outstanding checks/ debts.

**OTHER DISCUSSIONS:**

**MOQ Clarification:**

Discussion was brought up whether 3 months is long enough for a club modeling project challenge is long enough. Several members commented on what the going/ purpose of the MOQ was, and what it was accomplishing. Nothing was firmly decided upon at this time. The rules of the MOQ will be discussed at the next meeting.

**Tuskegee Airmen Reception Diorama:**

Big push for 5/22! Need some buildings that could go on the airstrip diorama that Jim Reese has been working on. Scott Adams said that he would work on a building or two. If others wanted to do a building, contact Jim. Also call for some members to attend the reception.

**2<sup>nd</sup> Quarter Model in a Quarter Discussion: Trucks: Progress Report**

Members discussed how their projects were going. This is shaping up to be a great challenge.

**PROGRAM: Using Putty Demo: by Scott Adams and Jack Andrewson**

Scott and Jack discussed what they do with putty and sealing gaps/ seams. Heard from other members on what they use and their preferences. Lots of tips on the types of materials and putties that we use.

Did not set up a program for the next meeting.

After the program, the chairs and the tables were put away.

Meeting adjourned at 8:30 PM!
