

**Central Missouri Scale Modelers Club**  
**Meeting Minutes**  
**2015-12-17 (December)**

**Attendance:**

The meeting started at 6:42pm with 9 members attending.

**Financial Report:**

None tonight since it was the club's annual potluck-dinner night.

**Elections:**

First order of business was electing club officers for 2016. Nominations were taken and all present members voted. The results of the election for 2016 are :

- PRESIDENT : Kent Barnes
- SECRETARY : Colin Smialek
- TREASURER : Scott Adams
- PROGRAM COORDINATOR : Jack Andrewson
- TIGERCON CO-COORDINATOR : James Reese
- TIGERCON CO-COORDINATOR : T.Mike Curry
- TIGERCON HEAD JUDGE : Rusty Ratliff

**Pot-Luck and Model Discussion:**

A rousing discussion of models currently being worked on by members was had while members loaded up their plates. This night was the annual club pot-luck, and the food table was full.

**Model of the Quarter Discussion:**

Members discussed and the club decided on Model of the Quarter themes for 2016. It was decided that MOTQ1 would be Armor. MOTQ2 would be Planes. MOTQ3 would be a Snap-Kit model with all club members building the same model.

**TigerCon Make-N-Take Re-Stock:**

The decision of all club members building the same Snap-Kit model led to a discussion of the TigerCon Make-N-Take stock. More models are needed. The process for ordering the kits has changed this year. Now models will only be delivered to a local hobby shop direct from Revell, but are still attributed to IPMS's Make-N-Take usage. The club officers will contact Sprue Brothers (a Missouri-local online hobby shop) and Squadron to see if arrangements can be made through either of them.

After the program, the chairs and the tables were put away.

The meeting adjourned at 8:47pm.
