

**Central Missouri Scale Modelers Club**  
**Meeting Minutes**  
**2016-01-21 (January)**

**Attendance:**

The meeting started at 6:49pm with 5 members attending.

**Financial Report:**

No financial report as the Treasurer was not in attendance.

**Model Magazines:**

One of the members brought in several recent modelling magazines. The club members passed them around. Several interesting articles were discussed. A number of new releases listed in the magazines were noted, especially of the monster figures.

**Model of the Quarter Discussion:**

Members discussed the rules (which are few). MOTQ1 can be any armor kit of the member's choosing. MOTQ2 can be any plane of the members choice. MOTQ3 will be all members working on the same Snap-Kit model, but the idea is to try to "go to the max" with; do something unique or original with it. It was decided that the Snap-Kits will be displayed at TigerCon so the kids can get an idea of what more they can do with models (like the one they just built!)

**MOTQ3 and TigerCon Make-N-Take Kit Stock:**

It was reported that the kits will be on their way. To cover cost, it was asked that each member who builds one of the Snap-Kits for MOTQ3 contribute \$5 for the kit.

**Tuskegee Airmen Diorama:**

The club discussed that more buildings and vehicles are needed. Also, a couple more P-39's in 1/48<sup>th</sup> scale would be nice to have.

**Club Clinic:**

It was discussed and confirmed that the Club Clinic for February will be on Weathering. This meeting's topic on Photo Etch was enjoyed by all.

After the program, the chairs and the tables were put away.

The meeting adjourned at 8:14pm.
