KC Slammers Contest:

The club had offered to sponsor one of their model categories, but has not heard back yet. The contest will be the weekend of June 11-12.

MOTQ:

The current MOTQ theme is Airplanes. Various members brought in their airplane models to show their progress and discuss.

Member Display:

One of the club members brought in a "suitcase" diorama they had made. Paublo had built a frozen shore edge with boats, arctic robed figures, huts, seals, and a woolly mammoth. The display is titled "Who Were the First Americans?". The display is designed to be mobile and can be used for education. It depicts some of the early peoples that researchers think may know have been among the first to reach the shores of North America.

Club Clinic:

The club decided to watch the DVD of photos of models from the recent West Central Missouri scale model contest.

After the program, the chairs and the tables were put away.

The meeting adjourned at 7:55pm.
