

Central Missouri Scale Modelers Club
Meeting Minutes
2016-05-19 (May)

Attendance:

The meeting started at 6:30pm with 8 members again attending.

Financial Report:

The Treasurer reported the bank balance is the same as reported last month, minus only the cost of the Snap-Kits.

Make-N-Take Snap Kits:

The kits had arrived and were available at the meeting. Any club member who wanted one paid \$10 to cover the cost of ordering in the kits. A fair number of them were passed out for the MOTQ3. Members are encouraged to "go to the max" with them. They will be displayed at TigerCon to show the youth participating in the Make-N-Take just how cool these models can be.

Tuskegee Airmen Event:

The event will be held at the County Club of Missouri, in their forum. The event is sponsored by UMB Bank, and will be held from 3:30pm to 5pm on May 27th. The club will once again be setting up their Tuskegee Airmen Base diorama table at the event.

MOTQ:

A reminder that next month will be the club judging for Airplanes. MOT3 will start and be for the Snap-Kit Cars. MOTQ4 will be themed Diorama Base (any model but focus will be on the base).

TigerCon:

The club decided to keep the same categories as last year. That way, folks can plan what models they want to bring. Also, it was decided to have "Honorable Mention" ribbons the judges can give out for notable models that didn't win.

Programs:

Club Clinic programs were decided upon for upcoming months. Next will be Vacuform Canopies, followed by Alclad and Metalizer Painting. Then there will be a program on Dioramas.

Model Talk:

Certain articles in several recent model magazines were discussed. The magazines were passed around and several new model releases were noted.

After the program, the chairs and the tables were put away.

The meeting adjourned at 7:45pm.
